

# MINNESOTA LAND • LAKES • LEGACY

CONSERVATION IN ACTION TOUR  
AUGUST 11 & 12, 2015

## Don't Miss Out!

CTIC Conservation in Action Tour

August 11-12

Southeastern Minnesota

Don't miss the #1 opportunity to see the latest in innovative farming systems and spend a day with the farmers, agribusiness leaders, policymakers, conservationists and researchers at the heart of conservation agriculture!

Perched along the Mississippi River, southeastern Minnesota is a conservation farming hotspot, and you'll get the inside line on challenges and solutions that are likely to spread nationwide.

That's why the eighth annual CTIC Conservation in Action tour—starting with our evening social on Tuesday, August 11 and hitting the field all day Wednesday, August 12—promises to be one that people talk about for years to come.

Explore collaborative approaches that bring a wide range of stakeholders together to address an array of conservation challenges. Build your network and bring home ideas and inspiration from leaders in
