Making Cover Crops Work for You: Economics of Soil Health in the Field

Join CTIC, Farmers for Soil Health, & Jake Kaderly to discuss practical, profitable ways to build soil health, productivity, and profitability on every acre.

Agenda and Topics:

- CTIC and cost-share program updates
- On-farm discussion of how to use no-till and cover crops to improve soil health
- How to make cover crops work economically
- Rainfall Simulator demonstration

W1937 Hauser Lane, Juda WI 53550

Thursday, September 10th 10:30 AM - 12:00 PM *Lunch provided*

FIELD DAY
PARTNERS

The CTIC Cover Crop Coach program is made possible by a generous grant from General Mills. This project is made possible through a grant from the National Fish and Wildlife Foundation, supported by the U.S. Department of Agriculture, under agreement number NR233A750004G003. Any opinions, findings, conclusions, or recommendations expressed do not necessarily reflect the views of USDA. References to specific grants, products, or services do not constitute or imply an endorsement by USDA.
